

## **FIELD PRODUCTION: FILMING WITH PHONE STABILIZERS**

*info@padnet.tv • 562-216-4640*

*Hours: Wed - Fri 3pm - 7pm • Sat 10am - 4pm*

### **Course Description**

Improve the way you shoot video with your phone by using stabilizers. This class offers hands-on training with the DJI Osmo Mobile and Steadicam Smoothee. Students will also learn shooting techniques, proper composition, and policies & procedures for checking out PADNET equipment.

### **Course Objectives / Certification**

Attendance and completion of Field Production: Filming With Phone Stabilizers certifies a PADNET Member to gain access of the DJI Osmo Stabilizer Package and Steadicam Smoothee available at The Hub. Project Proposals are required for all equipment reservations.

### **Materials Needed**

- DJI Go phone app (Free to download at iTunes and Google Play)
  - iOS: DJI GO – For Phantom 3, Inspire1, OSMO, and Matric
  - Android: DJI GO – For Products before P4
- Pen and paper to take notes with

### **Class Policies**

Students must register for classes at least 48 hours in advanced. Walk-ins are not accepted. All classes require a minimum of 3 students. If a class has less than 3 students, the class will be cancelled and a PADNET staff member will contact you to reschedule or issue a refund.

If a registered student can no longer attend a class, the student can receive a full refund if PADNET is notified with more than 48 hours in advance of the class time. If the student cancels with less than 48 hours of the class time, students will receive 50% of their payment back or a half credit toward another class. If a registered student does not show up for class, the student will not receive a refund or credit.

### **Part 1**

1 hour

- Equipment Policies & Procedures
- Set up and operation of DJI Osmo Stabilizer Package
- Set up and operation of Steadicam Smoothee

**Extra Notes:** *Make sure that your phone's OS is updated and that your bluetooth function works properly. Also, charge your phone fully before coming to class.*

**Recommended:** *Download the DJI Go phone app before arriving to the class. It is available to download for free at iTunes and Google Play.*

### **Part 2**

1 hour

- Filming techniques and composition
- Filming exercise
- Equipment reservations

**Extra Notes:** *(Optional) Bring a Mac-formatted hard drive to copy video files from the class exercise.*

*All PADNET Members are responsible for following policies & procedures in the Member's Handbook which can be read online at [PADNET.tv/doc\\_mgt/document](http://PADNET.tv/doc_mgt/document).*
