

## **ADOBE PHOTOSHOP: INTRO TO GRAPHIC DESIGN**

### **Course Description**

Learn how to design, edit, and modify, graphics using Adobe Photoshop. Create projects and use the tools to adjust size, color, transform, and add filter effects. When completed, you will learn how to prepare and export images for postcards, flyers, social media posts, and video projects.

### **Course Objectives**

Adobe Photoshop: Intro to Graphic Design is an Expert Content Class offered by PADNET. Expert Content classes are supplemental training used to enrich the basics of video production with additional media techniques.

### **Materials Needed**

- Pen and paper to take notes with
- A mac-formatted flash drive or external hard drive (optional)

### **Class Policies**

Students must register for classes at least 48 hours in advanced. Walk-ins are not accepted. All classes require a minimum of 3 students. If a class has less than 3 students, the class will be cancelled and a PADNET staff member will contact you to reschedule or issue a refund.

If a registered student can no longer attend a class, the student can receive a full refund if PADNET is notified with more than 48 hours in advance of the class time. If the student cancels with less than 48 hours of the class time, students will receive 50% of their payment back or a half credit toward another class.

If a registered student does not show up for class, the student will not receive a refund or credit.
